

## Field Trip Child Restraint Statement

Ohio's Child passenger safety law requires:

- Every child under 8 years old must ride in a booster seat or other appropriate child safety seat unless the child is 4'9" or taller.
- Every child from 8-15 years old who is not secured in a car seat must be secured in the vehicle's seat belt.

To be sure we are in compliance with this law we are asking parents to weight their children and fill in the appropriate spaces on this form.
